

As the “Pioneering Partner for Peptides,” Bachem focuses unerringly on know-how and innovation, quality, close collaboration with customers and continuous employee training and development. Bachem’s stated goal is to be the partner of choice for successful implementation of peptide projects of whatever kind.

Know-how and innovation

Know-how and innovation form the cornerstones of Bachem’s success. Building on this foundation, Bachem offers its customers optimal support in the pursuit of groundbreaking discoveries that further scientific advances, particularly in the field of medicine. It is therefore important for Bachem to attract top scientists across all relevant disciplines. It does so by fostering a corporate culture and work environment that inspire and motivate employees to contribute knowledge and ideas to decision-making processes and thereby actively shape and steer the projects they are working on.

Quality

Bachem’s commitment to quality is a key factor for its success. Adherence to high quality standards lays the groundwork for top performance and new developments. This commitment to quality is a basic business principle at Bachem, deeply rooted in its drive to always offer customers the best. Diligence, flexibility, creativity and reliability are expressions of Bachem’s appreciation of its customers and their needs.

“Bachem’s consistent focus on the needs of customers lays the groundwork for sustainable, profitable growth.”

Collaboration with customers

Collaboration based on mutual trust and the forthright sharing of information enable knowledge, experience and resources to be pooled in the quest to achieve a new goal together. Of utmost importance for Bachem is knowing exactly what the customer needs and wants. Close contact with customers and a sound awareness of their challenges allow Bachem to create customized solutions. They are also the wellspring for superior efficiency and true value for both sides of this collaboration.

Employee training and development

Highly qualified employees at all levels of the organization who are specialists in their respective fields are another key factor for success at Bachem. Their willingness to take advantage of training opportunities and accept new challenges secures the company's knowledge advantage and bolsters its market leadership in peptides.

“Bachem’s vision is to be the undisputed leader in the peptides business. Adherence to the most demanding of quality standards and a high level of innovation help the company to stay ahead of the competition.”
